Dear colleague,

thank you for writing us. We received your message. We will contact you.

Please, always attach the previous correspondence.

If submitting the paper, please, use the template on our website and read submission guidelines, bibliographic references, format and malpractice statement. Highlight citations and references you got from reading scientific papers through Scopus database. We are currently judging more than 200 papers, thus the review process may last long and publishing of the accepted article may last 18 months. We sincerely apologize for the delay.
