A. Muhammad Idkhan:

Thank you for submitting the manuscript, "Implementation of Mechanical Technology Competence Learning Model with Maximum Likelihood Estimation" to International Journal on Advanced Science, Engineering and Information Technology. With the online journal managementsystem that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

A. Muhammad Idkhan:

We have reached a decision regarding your submission to International Journal on Advanced Science, Engineering and Information Technology, "Implementation of Mechanical Technology Competence Learning Model with Maximum Likelihood Estimation".

Our decision is to: Revision Required

Please revise your paper according to the reviewers' comments below:

Reviewer 1: An explanation regarding the model used in the research is still needed is Mechanical Technology Competence Learning; In the discussion related to the relationship between variables in the study still requires additional explanation and picture of the relationship of these variables.

Reviewer 2: Figures and table require more explanation in relation to results, which are linked to objective of the research; We cannot accept the submitted paper for publication the similarity is higher than 20% and a single source match is higher than 3%.

Best regards,

Editor

A. Muhammad Idkhan:

We are glad to inform you that since volume 5 (2015), International Journal on Advanced Science, Engineering, and Information Technology (IJASEIT) has been indexed in Scopus. The scientific committee of IJASEIT agree that your manuscript is accepted to be published in IJASEIT vol. 9 (2019) no. 5.

Title: Implementation of Mechanical Technology Competence Learning Model with Maximum Likelihood Estimation.
Authors; A Muhammad Idkhan, Djuanda, Iswahyudi Indra Putra
