Your question: - Dear sir,
I have submitted my article proofs (Title: Exploring the factors influencing student's intention to use mobile learning in Indonesia higher education. DOI: 10.1007/s10639-019-10018-0) on Sept 18 and got the confirmation email. However, the status of my article is still in stage 3 which is asking me to return the corrections. I can no longer submit the article proof since the link is already expired. What should I do next?

How was your publishing experience?

2020-05-08

Dear Author,

We aim to provide you with the best possible publishing experience. To help us do that and now that your article has been published online we would like to ask your opinion on how we did.

We love feedback. Really!

» [Click here to tell us what you think](#)

This handful of questions should only take about 10 minutes of your time.

Your paper

Education and Information Technologies

Exploring the factors influencing student's intention to use mobile learning in Indonesia higher education

We really do appreciate your feedback, and thank you in advance for participating in the survey.

If you have any questions about the survey or experience any issues please get in touch with Springer Nature's [Audience Research Team](#).

Thank you and best regards,
Alison Mitchell

Your Offprint Choices

Dear Author,

This message is to let you know that your article has been selected for inclusion in an issue and will be printed soon. Listed below, we have the following information regarding your article and your offprint choices.

Please go to the following website (you may need to copy and paste the URL into your browser)

<https://mail.google.com/mail/u/0?ik=808917c54a&view=pt&search=all&permthid=thread-f%3A1685489959469069429&simpl=msg-f%3A1685489959469069429>

and confirm the address for shipment of the offprints:

<https://www.springer.com/home?SGWID=0-0-1003-0-0&aql=3852123&checkval=6f1cf41d6efb379664e500338b3c74bc>

If you did not order offprints previously and would like to do so now (or would like to increase the number of offprint copies), please also go to the website.

Please check your order details. Change your order within 5 working days and submit your changes. If you do not submit any changes your order will be processed as is.

This is an automated e-mail; please do not reply to this account. If you have any questions, please go to our help pages.

Thank you very much.

Kind regards,

Education and Information Technologies encourages all authors and reviewers to register for an ORCID. ORCID provides a persistent digital identifier that distinguishes you from every other researcher. Besides ensuring your research always remains identified with you for citations and usage statistics, an authenticated ORCID account allows you to sign on to Editorial Manager with a single step and enables you to toggle between all journals in which you have registrations, as an author, reviewer and/or editor.

For more information on ORCID, please visit their website: <http://orcid.org/>

With best regards,

Editorial Office
Education and Information Technologies

P.S. Note that you can always change your permanent password and other personal information after your login using the menu item UPDATE MY INFORMATION.

****Our flexible approach during the COVID-19 pandemic****

If you need more time at any stage of the peer-review process, please do let us know. While our systems will continue to remind you of the original timelines, we aim to be as flexible as possible during the current pandemic.

This letter contains confidential information, is for your own use, and should not be forwarded to third parties.

Recipients of this email are registered users within the Editorial Manager database for this journal. We will keep your information on file to use in the process of submitting, evaluating and publishing a manuscript. For more information on how we use your personal details please see our privacy policy at <https://www.springernature.com/production-privacy-policy>. If you no longer wish to receive messages from this journal or you have questions regarding database management, please contact the Publication Office at the link below.

In compliance with data protection regulations, you may request that we remove your personal registration details at any time. (Use the following URL: <https://www.editorialmanager.com/eait/login.asp?a=r>). Please contact the publication office if you have any questions.
