Aswi:

Thank you for submitting the manuscript, "Dr Effects of Climatic Factors on Dengue Incidence: A comparison of Bayesian spatio-temporal models" to International Conference on Mathematics, Statistics, and Data Science 2020. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Submission URL: <https://icmsds.stats.id/reg/index.php/icmsds/authorDashboard/submission/231>

Username: aswi

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

Dear Aswi Aswi, Sukarna, Susanna Cramb, Kerrie Mengersen:

We are pleased to inform you that your abstract with the following details:

Paper ID : 206

Author(s) : Aswi Aswi, Sukarna, Susanna Cramb, Kerrie Mengersen

Title : Effects of climatic factors on dengue incidence: A comparison of Bayesian spatio-temporal models

is **accepted** to be presented to International Conference on Mathematics, Statistics, and Data Science 2020, and your full paper will be included in the selection for proceeding. For full paper submission, you should submit using our OJS on "<https://icmsds.stats.id/reg/index.php/icmsds/authorDashboard/submission/206>". Please kindly by scrolling down the page, you will find a panel for Revisions. Use the "**Upload File**" link to upload your manuscript.

In addition, you may now proceed with the payment. Your registration fee can be seen on <https://icmsds.stats.id/> or it should be equal to **350.000** IDR if you transfer until September 30, 2020 (early bird). Please note that there will be an additional **900.000** IDR publication fee for IOP Proceeding (optional).

You are welcome to **pay the publication fee along with the registration fee, or later** upon the acceptance notification on the IOP proceeding. Furthermore, the publication fee paid on registration will be refunded if the paper is not published in the IOP proceeding.

The fees shall be transferred to:

Name of Bank : Bank BNI
Account Number : 3898498
Holder : Rektor IPB c.q. Kerjasama FMIPA
SWIFT Code : BNINIDJABGR

Please kindly upload your proof of payment and student/ISI/IndoMS/IORA ID (if you haven't uploaded it at the previous pre-registration form) using your OJS account.

Please do not hesitate to contact us if you need further assistance. Looking forward to seeing you soon at ICMSDS 2020.

Kindly regards,

Secretariat of ICMSDS 2020

Dear Aswi Aswi, Sukarna, Susanna Cramb, Kerrie Mengersen:

We have reached a decision regarding your submission to International Conference on Mathematics, Statistics, and Data Science 2020, "Effects of climatic factors on dengue incidence: A comparison of Bayesian spatio-temporal models".

Our decision is: **Revisions Required**

Please submit the full paper immediately. We are looking forward to receiving the revised version no later than **January 15, 2021**. Make sure the revised version follows the IOP format at the following link: https://icmsds.stats.id/?page_id=430.

Kindly regards,

Secretariat of ICMSDS 2020

Reviewer A:

Similarity = 37%,

Maximum each = 14%

Recommendation: See Comments

Reviewer B:

Recommendation: See Comments

1. The Systematics only consists minimal of:

INTRODUCTION, RESEARCH METHODS, RESULTS AND DISCUSSION, CONCLUSION, REFERENCES

Yes

2. No paragraph is only one sentence.

Yes

3. **The introduction** consists of the scope of the problem, the state of the art (what other people have done), what others have not done, and the objective(s) of the research.

Yes

4. **The Research method** must contain references.

No

5. **The Results and discussion** contain an interpretation of results according to goals or hypotheses, what the meaning, and how they compare to other similar previous research.

No

6. Pictures, all pictures in the form of graphics, diagrams, schematics, photos are named with Figure, and made in the box/group/table so as not rupture when the layout created.

Picture listing procedure:

The pictures are numbered and the picture title, the center margin

Yes

7. A Table consists of several rows and is written as Table

Yes

8. **CONCLUSION** consists of the conclusion should be the answer to the questions and objectives of the study. Conclusions are expressed in a paragraph, not points, and are expressed not in mathematical/statistical sentences. If necessary, at the end of the conclusion can also be written the things that will be done related to the next idea of the study.

No

10. REFERENCES

- Each article should have at least ten references.
- All the sources contained in the **reference** is a quote stated in the script
- References should contain references originating from primary sources (scientific journals and a minimum of 80% of the entire bibliography)

References should contain references from a new one with a minimum of 80% of the entire bibliography

No

11. Remarks

Need clear explanation at a) Methodology, b)Result and discussion
Need some new literatures from journal

12. Final Decision

Major revision required

Reviewer C:
Recommendation:

15 January 2021 at 11:55

Dear Susanna,

How are you? Have you returned from your holiday yet?

I forward the decision from the committee regarding our conference paper.

Actually, the deadline for submission is today, but I talked to the committee that I could not finish by today for this paper. However, I submitted another paper with my colleagues this morning.

I am trying to finish revising our paper by today and I plan to send you tomorrow morning. Hopefully, you have time to give comments and suggestions.

Thank you very much.

Best Regards,

ASWI
