Dear Mrs. Aswi,

Thank you very much for joining our conference, the 4<sup>th</sup> ICMSTEA 2020.

In this email, I would like to inform you that your paper with title "***Detecting spatial autocorrelation for the small number of areas: practical example***" has been reviewed by an internal reviewer before submitted to the publisher.

Here we would like to inform you of some important issues.

1. The paper should follow the template (Attached)
2. Make sure that your paper uses appropriate English.
3. Every equations are written correctly and clearly.
4. All pictures and tables should be clear enough and also the caption should follow the rule.
5. **Your plagiarism score is 16%** You can check again in plagiarism checker. We recommend that you minimize the score.
6. The file should be in word document (doc or docx).

We hope that you can submit your paper **before 19 March 2021 in this link below:**
