Dear Eva Meizara Puspita Dewi

Your article titled **"School Well Being (SWB) and Learning Motivation of Psychology Students in the State University of Makassar"** has been reviewed by our reviewer. There are some reviewer's feedback/suggestions which should be noticed in revising your article. We hope, you can send back your revised article as soon as possible.

Notes:

1. Lack of supporting theories in explaining the finding
2. Research Gap must be more emphasized in the Introduction, please provide some previous studies, and compare with your research focus.
3. School well-being instruments should be more explained in the research method, is there any changes made comparing the real instrument?
4. Information related to the Research participants must be explained well

Other feedback is attached.

If you have any questions, please do not hesitate to contact us

We wish you all the best.
