Dear Syafruddin Side,

Thank you for submitting your manuscript, *Estimated Parameters of Rain Flow Distribution Using L-Moment Method in South Sulawesi, Indonesia*, to the **Journal of Applied Mathematics and Computation**.

The submission id is: JAMC-21123001

Please refer to this number in any future correspondence. During the review process, you can keep track of the status of your manuscript via this email.

Should you require any further assistance please feel free to e-mail the Editorial Office? Now that your article will undergo the editorial and peer review process, it is the right time to think about publishing your article as open access. With open access your article will become freely available to anyone worldwide and you will easily comply with open access mandates.

Although for now you don't have to do anything, we would like to let you know about your upcoming options. Recipients of this email are registered users within the Editorial Manager database for this journal. We will keep your information on file to use in the process of submitting, evaluating and publishing a manuscript.

We are at your service and please feel free to contact us for any inquiries.

Your earliest reply is highly appreciated.

Best Regards

---

Title: Estimated Parameters of Rain Flow Distribution Using L-Moment Method in South Sulawesi, Indonesia

We are pleased to inform you that the above manuscript has been provisionally accepted for publication in Journal of Applied Mathematics and Computation.

The manuscript will be sent for production shortly. Once production has been completed, the page proofs of the manuscript will be sent to you with any minor revisions for your consideration.

To ensure delivery of our messages, please add "[mathematics@hillpublisher.com](mailto:mathematics@hillpublisher.com)" to your Safe Senders List. If you do not receive an email, please check your spam folder and mark it as "not spam". Please do not hesitate to contact us if you have any questions in the interim.

Dear Syafruddin Side,  
I am pleased to inform you that the latest issue (Vol.6 No.1, 2022) of JAMC, in which your paper ID: JAMC-21123001 is published, has been released.  
To download your paper, please access: <http://www.hillpublisher.com/journals/JAMC/>  
In addition, if your affiliation such as university library or research institute is interested in subscribing to our journal, please do not hesitate to contact us via e-mail [jamc@hillpublisher.com](mailto:jamc@hillpublisher.com). To expose your paper to a wider community, please feel free to recommend our journal to your colleagues, friends, and your affiliation. Meanwhile, we welcome any suggestions regarding how to make this journal better.  
You are welcome to submit your future works to our journal. Wish you all the best.  
We are at your service and please feel free to contact us for any inquiries.

Your earliest reply is highly appreciated.

Best Regards
