Dear Editor of IJSDR,

I have checked the published paper of my article on the website but there are some minor mistakes that need to be corrected.

Please omit the colon marks (:) in the header of Introduction, Results and Discussion, Conclusion, and References. Since I follow the paper format of IJSDR, I never put any colon marks on the header of the final document that I sent couple of days ago. Please check them again. I have also paid \$80 for publishing with DOI but cannot find it on my published paper. I hope there is a solution to this issue.

Best regards,
Darlan Sidik
