Dear Mr Wirawan

Thank you very much for your kind message and your willingness to publish an article in the Global Journal of Engineering Education (GJEE). We will be happy to consider your article for inclusion in the GJEE, Vol.19, No.1.

Attached, please find a kit for authors. This should assist you in the preparation of your article.

In preparing your article, you should not make any changes to the template, and strictly follow the Instruction for Authors. Please do not use bold faces in the article nor in the figures! The abstract must not exceed 12 lines. Also please note that a single line space must be placed between the paragraphs, figure, captures, equations, formulas, etc. Further, would you please supply us with the original, unsaved figures, so that we can access them and make necessary correction if required? We accept figures generated in Ms Word, Excel and Visio. More information can be found at the journal's site:

www.wiete.com.au

Also, please note that submitted articles **must be accompanied by the fully filled in and signed Submission Form & Payment Details.**

I look forward to receiving your contribution to the GJEE journal.

kindest regards

Zenon J. Pudlowski
