Aswi Aswi:

Thank you for submitting the manuscript, "Application of Soft-Clustering Analysis using Expectation Maximization (EM) Algorithms on Gaussian Mixture Model (GMM)" to Jurnal Varian. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Submission URL: <https://journal.universitasbumigora.ac.id/index.php/Varian/authorDashboard/submission/2142>

Username: aswi12

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

▶ Dear reviewers and editorial team.

aswi12

Oct 23

Thank you very much for your suggestions and comments on our manuscript.

We have carefully revised our manuscript (file attached).

I sent two files:

1. File with track changes (pdf), so the reviewers or the editorial team can see the changes that we have made.

2. File with clean version (word).
