Dear Authors,
It is to inform that your submission: **NEED ANALYSIS FOR DEVELOPING WRITING SKILL MATERIALS USING FACEBOOK FOR ENGLISH UNDERGRADUATE STUDENTS** requires revisions

The reviewer comments on the attached paper:
a) it requires updated references mostly in the last five years
b). The title and many parts of the introduction are too broad
c) it needs to specify research design, procedures of data collection, methods of data collection and analysis
d) there is a question of types of need analysis
e). It requires more specific elaboration on a discussion section
f) many of the sentences are not complete
