Author Guidelines Format IBIMA publishing.doc; 459687-JMTKS-Original - eng.doc;

Dear Dr. Faisal Syafar, Dr. Jing Gao and Dr. Jia Tina Du,

Kindly, one author replies with modifications.

IBIMA publishing team is in the process of formatting your article ID 459687. We need your cooperation to make some modifications:

1) The Language Editor has some suggestions to improve the flow and readability of the article. Attached is a copy with suggestions' notes. Please check and make any necessary correction.

2) We have noticed few tables and figures that may have been published before in another article.

Please confirm that all tables, figures and photos are created by the author(s) and we will keep a copy of your reply in file.

Please make sure you remove any figures, tables, website screenshots, graphics, etc., from the paper from any previously published article unless you have a written permission from the publisher. You need to obtain written permissions from the publisher to include any copyrighted material in your manuscript. Only mentioning the source with a reference is not enough. Attached is IBIMA guidelines

Please fix all issues and send the article as soon as possible to continue publication process.

Sincerely,

--
