Dear Jasdar Agus,

Based on the reports of the referees, the Editors have determined that your article «Effect of Sintering Temperature on Crystal Structure and Surface Morphology of NdFeO₃ Oxide Alloy Materials Prepared by Solid Reaction Method» requires revision before it can be published in the ICMNS2016 «International Conference on Mathematics and Natural Sciences». To access the referees' reports and submit your revised article, please enter the publisher's website <https://www.scientific.net> and log in using the credentials below:

Username : jasdarphysics@gmail.com

Password : pAZXS868

After you log in please select « Author » role and then « My Papers » at the top of the screen and then click on items in the « Reviews » column of the papers list to access the Editor/Reviewer reports of your article. If you click on the « Paper Title » column of the papers list you will get a screen where you can upload your revised manuscript.

Please check the Review(s), revise your manuscript and upload a new version. The new paper must be uploaded over the first version, just click on your paper title and upload the new version (mandatory).

The revised manuscript is uploaded over the earlier version, thus replacing it.

If you have any questions or wish to comment on your revisions, please e-mail the Editor.

Thank you.

Best regards,

Rachmawati Rachmawati
