Dear Managing Editor AS Women's Health Journal,

Thank you for the review and suggestions from the reviewer. I have made the addition according to the input from the reviewer by giving a different font color.

Best regards,

Dear Ms Prathyusha,

Corresponding author and co-author are correct. What needs to be edited is the Introduction section, the first sentence of the first paragraph "nurses are frontline workers who provide treatment and care to patients directly Ho....". Please remove the "Ho". Thank you
