We have two reviewers working on it now. One has said she needs to add some references as the rule was that there should be AJHTL references as well. She will use a local expert's articles as he is excellent in marketing and hotel studies.

We will try to have it published for you soon. maybe even by Monday as a favour to you. Best wishes

If I may know, in which issue it will be published in 2019?
Looking forward to your reply.
