Dear author, Dr. Andi Anto Patak

Improve your paper :

1. The table must be mentioned in the body text before the table is displayed
2. Missing citation number [32]

We have provided notes in the manuscript to be corrected.

Please do proofreading and complete the paper that we attach, do not use paper other than what we have attached.
Please submit your final paper as soon as possible (3x24 hours).

The responsibility for the contents of the text rests with the author and not with the editor or publisher.
