

Referees' comments on your recent submission to APFSLT

YEUNG, Yau Yuen <yyyeung@ied.edu.hk> to me Thu, Dec 12, 2013, 12:45 PM

Dear Author(s),

Please receive the comments from two referees on your recently submitted article for your due consideration. In view of the favorable recommendation made by the external reviewers, your paper could be accepted for publication in our online journal after you have properly revised your manuscript in accordance with the given comments or provided appropriate responses to those comments you disagree with. Besides, you are reminded to invite a native English speaker to proofread the English of your manuscript before re-submission. Grateful if you could submit the revised manuscript as soon as possible, preferably within **ten days** so that your paper could be published in the coming **December** issue.

Attached please also find the copyright transfer form that you need to sign (after verifying/updating the information) and return by email or fax when you submit the revised manuscript.

Should you have any problems or queries, please feel free to inform/ask me. Thanks.

Dear Prof. Yeung  
 Chief editor, Asia-Pacific Forum on Science Learning and Teaching  
 Department of Science and Environment Studies  
 Hong Kong Institute of Education.

I am very grateful for the opportunity to be published my journal. I've tried to improve my language journals using a native english speaker is reliable. In addition, based on the recommendations of the first and second referee, then we repair parts are: (1) the title of the journal, (2) literature, and (3) language. Hopefully the results of this improvement will have a positive response from you.
