Dear Dr. Side,

This is regarding manuscript 2918080 titled "**Analysis and Simulation of Sirs Model for Dengue Fever Transmission in South Sulawesi Indonesia**" submitted to Journal of Applied Mathematics. While checking your manuscript, we had comments regarding the following points:

Muhammad Isbar Pratama's name on the MTS is different from the one mentioned in the PDF, so please confirm the correct format of the author name. If the name in the PDF needs to be corrected, please provide an updated PDF as an email attachment.

The manuscript was found to have been rejected from Abstract and Applied Analysis with a different author list. Dr. Sahlan Sidjarais not included in the new submission. According to our policy, it is important to list everyone who has made a significant scientific contribution to the manuscript; we need the missing author's consent.

Authors must state how the research and publication of their article was funded, by naming financially supporting body(s) followed by associated grant number(s) (if applicable.) If the research did not receive specific funding, but was performed as part of the employment of the authors, please name this employer. If the funder was involved in the manuscript writing, editing, approval, or decision to publish, please declare this, or any potential conflicts of interest. Accordingly, please provide us with the funding statement.

We look forward to hearing from you.

Best regards,

Dear Dr. Syafuddin,

I am pleased to let you know that the first set of galley proofs of your Research Article 2918080 titled "**Analysis and Simulation of Sirs Model for Dengue Fever Transmission in South Sulawesi Indonesia**" is ready. You can apply your corrections directly to the manuscript with the Online Proofing System (OPS).

Using the OPS, you can quickly and easily make corrections directly to your galley proofs and submit these corrections with a single click.

<https://ops.hindawi.com/author/2918080/>

If a new corresponding author is added, they must log into their manuscript tracking system account and add their ORCID ID. Any additional ORCID IDs added on during proofing will also need to be updated on that author's account. Delays can occur if this isn't done.

To expedite the publication of your manuscript, please send us your corrected galley proofs within two days.

Please ensure that you read the proofs thoroughly and make all necessary corrections at this stage. A second round of proofs may be requested only for checking essential changes or major revisions.

Best regards,
