Dear Mrs Rosmaladewi

Manuscript ID IJoLE-17829 entitled "Voices of English Department Students on Multicultural Values in an Indonesian Islamic Higher Education" which you submitted to IJoLE, has been reviewed. The comments of the reviewer(s) are included at the bottom of this letter.

Although the reviewer(s) have suggested publication, they have also made some small edits to your work. With a few minor revisions in light of the reviews, this research study has been authorized for publishing. Although there is enough information in the literature about Multicultural Values, the research challenge, and the research's purpose were not made explicit. To assess whether the research purpose was accomplished, the research questions also needed to be prepared. I thus ask you to update your paper in light of the reviewer(s)' suggestions. We're aiming to make it as simple as possible for papers submitted to IJoLE to be published on time, therefore you should post your revised manuscript as soon as you can. When you receive this decision, attempt to submit the suggested changes as quickly as you can. If that isn't possible, kindly get in touch with the editorial office so we may set up a different deadline for you.

Sincerely,  
Amirullah  
Chief Editor, IJoLE
