You are already aware that publication of research work in a peer-reviewed international journal has important value. At the same time publication of research work as a Book chapter in an Edited Book also has a significant importance in career. A research paper which has already been published in a journal can be published as a Book Chapter in an expanded form. It is completely legal and acceptable procedure in the academic world.

We have published more than 1000 books in last two years (<https://www.bpipromotion.org/>). We are overwhelmed with pleasure for this tremendous response from researchers like you. We are going to publish more than 5 volumes in next two months in the following area. Therefore, with the same research paper you can get double benefit and it will enrich your resume.

*We're happy to inform that your paper has been selected to be included as one of the potential book chapters of the following book. You're also welcome to publish your other research papers, which have been published in other journals. If you have any fresh manuscript, you can submit for review and inclusion as book chapter.*
