Proceeding and Indexing Process

YICEMAP FIP UNY <contact_yicemap@unm.ac.id> to Syarifuddin, Aan, Agus, -, Feby, said.alhadi, Umi, okta, Ratma, Sunardi, Sunardi, Imron, me, amna, Darwis, Raden, puteramohamad, Udik, M.Pd., Fitri, phuorngnd, jakotarto, Fitri, -, sitti, L Tue, Aug 29, 2017, 4:37 PM

Dear participants,

Following the most frequently asked question, we would like to answer about the proceedings and indexing process

1. We will be able to order print copies of proceedings in a couple of months
2. YICEMAP 2017 has been submitted to Thomson Reuters two weeks ago and we are currently waiting for the submission confirmation. With the summer holidays, this takes a little longer than usual. Thomson Reuters's evaluation process will then take 3-4 months until we receive the results.

In this context, we would like to inform you that Atlantis Press publishes a spreadsheet containing all information regarding the submission of the proceedings to EI/Compendex and CPCI. It mentions the submission date as well as the current status of the proceedings. Now, during the summer holidays there is some delay, but normally it is regularly updated.

For the proceedings published in 2017, you can find it here : <http://www.atlantis-press.com/publications/proceedings/AP-proc-index-update-17.pdf>

I hope this update is useful for you.

Kind regards,

Dr. Cepi Safruddin AJ
