Dear Admin,

I have read the submission procedure on your website and I found that the payment must be completed once the article uploaded (there will be no initiation of review process and so on undertaken if the payment of the article processing charge not completed).

Hence, I'd like to ask you whether there is any solution on this procedure, such as, majority of the publishers normally ask the payment must be proceeded after the article has been accepted for publication. This is what I'd like to share then proposing it to you.

Should you have any suggestion further regarding this proposal, please do not hesitate to contact me.

Thank you

Regards,
Agung W. K.

Dear Agung

Thank you very much for your email.

Within the scope of the decision taken at the General Assembly of the Higher Education Council of Turkey (YÖK) (www.yok.gov.tr) dated 07.03.2019; Journals that charge a fee or additional fee from the author for publication after the acceptance of the article (Preparatory Journals) cannot be used in the associate professorship application conditions (declaration) since this relationship contains a conflict of interest.

In this context, the following journals can be used for associate professorship application requirements (declaration):

- 1) Journals that receive a fee at the time of article submission, regardless of the acceptance/rejection condition,
- 2) Journals that charge a fee to make the relevant article open access, although it works on a subscription basis,
- 3) Journals that do not charge any fee from the authors during the article printing process.

Therefore, only when the article is submitted by authors from the Republic of Turkey, APC is taken first.

Therefore, only when the article is submitted by authors from the Republic of Turkey, APC is taken first. It is not taken from the authors who are citizens of other countries.

Yes. I will add the application to this situation.

Thank you for your kind reply. Based on your prior email, I, on behalf of the authors, have filled the Copyright Form via the link you have provided earlier, however I could not find the downloadable file you have mentioned. I kept trying to fill the Copyright Form twice, however, there was no any file could be downloaded given your instruction earlier is "Please download the Copyright Form from <https://un-pub.eu/ojs/index.php/cjes/about/submissions> and fill in and sign, then scan and convert to PDF file and then submit it to me". Accordingly, please help us then Mr. Uzunboylu to solve this issue.

Thank you very much.

Best Regards,
Agung W. K.
