Dear Prof. Ruslan

Thank you very much for your kind message and your willingness to publish an article in the Global Journal of Engineering Education (GJEE). We will be happy to consider your article for inclusion in the GJEE, Vol.19, No.2.

Attached, please find a kit for authors. This should assist you in the preparation of your article.

In preparing your article, you should not make any changes to the template, and strictly follow the Instruction for Authors. Please do not use bold faces in the article nor in the figures! The abstract must not exceed 12 lines. Also please note that a single line space must be placed between the paragraphs, figure, captures, equations, formulas, etc. Further, would you please supply us with the original, unsaved figures, so that we can access them and make necessary corrections if required? We accept figures generated in Ms Word, Excel and Visio. More information can be found at the journal's site:

www.wiete.com.au

Also, please note that submitted articles **must be accompanied by the fully filled in and signed Submission Form & Payment Details**. However, you do not need to pay the publication fee at this stage. You will be asked to do so, when the article has been refereed positively.

I look forward to receiving your contribution to the GJEE journal.

Kindest regards

Zenon J. Pudlowski

I do apologize because the very late payment. It is no problem if the two papers will be included in the GJEE, Vol 19 No 3. So please process the two papers for publication to the next issue. In addition, I'm waiting the two receipts each \$A500 for the two authors.

Thank you very much for your kind cooperation

Dear Mr Ruslan

Thank you very much for your message.

I regret to inform you that the GJEE, Vol.19, No.2 is now ready for publication, and your articles have not been included in this issue, due to the on-time lack of payment of the publication fee.

Should you wish to pursue the matter further, the two articles may be included in the GJEE, Vol.19, No.3.

Further, we do not issue invoices as the Submission Form & Payment Details acts as a "pro forma" invoice. However, should you still wish to pursue the publication of your papers, we will be able to issue two receipts each of \$A500 and send them electronically to Ruslan and Sappaile.

I look forward to hearing from you at your earliest convenience.

Kindest regards
